Ops Update from LE/PS Agencies

- o RCMP - Caveat that operations are ongoing - not to be shared further - today and into weekend remain critical. s.39
s.39 Operation in Ottawa ongoing. Undertaken and supported by a tonne of people/LE agencies. One of the largest enforcement operations in Canada outside of major event like G7s, etc. Over 300 officers + 360 officers deployed from action planning perspective (ERTs, etc.). So about 725 uniforms with additional officers on the way from across the country. Regina chartered plane to bring 100 more officers. Pretty intense work, do a section and take a rest. Front line can't move until back line ready. Secure perimeter remains with more than 100 checkpoints. Need proof of residency to get in. Effort to keep additional protesters from getting in. Monitoring roads into Ottawa. Since yesterday's enforcement actions began, number of arrests. 3 key organizers arrested. All by OPS and all 3 remain in custody. Most people arrested today opting for cooperative arrest. Seven sites all of which police are approaching in same manner. This morning Site 1 dismantled. 10 arrests and 8 trucks towed. Site 2 (Rideau Sussex) 24 to 30 trucks and 20 vehicles at site. OPS holding press conference at 330 with RCMP and OPP. Gatineau - last night city secured injunction against 25-30 protesters who set up site to provide food/fuel. Group given until 4pm today to leave. Left and relocated to church parking lot. Were advised to leave as it was near a school. Have until 4pm to leave. Next steps being considered including to make sure they don't set up elsewhere.
- o RCMP on money- 45 entities, 17 individuals and 30 vehicles disclosed to financial institutions. 39 accounts have or about to be frozen. 4 proactively. s.39
s.39 Working through how to unfreeze it. Likely you come to branch after you have been frozen to show you aren't at protest. Keeping track of those accounts and up to banks to perform their due diligence to assess validity.
